

Adriana Gusciora

Data Analyst · FP&A · E-commerce

Gusciora.Ada@gmail.com | +48 728 884 506 | linkedin.com/in/adriana-gu | Remote (EU-based)

Data Analyst with 8+ years of experience in financial reporting, FP&A, and data-driven decision-making across global organisations. Proven expertise in working with high data volumes: sales analytics, P&L reporting, cost analysis, budgeting, and forecasting. Skilled at identifying trends, variances, and root causes in complex datasets. Hands-on experience with Advanced Excel, Power BI, Power Query, and Alteryx for automated reporting and financial modelling. Passionate about process improvements and leveraging BI tools to streamline reporting and deliver actionable insights. Strong collaborator comfortable working in fast-paced, international environments with flexible schedules.

WORK EXPERIENCE

Senior Finance Analyst

Oct 2024 – present

Trustwave Sp. z o.o. · Performance Management · Warsaw / Remote

- Preparing weekly and monthly financial reports for Financial Directors and CFO: P&L, cost analysis by department, variance flagging vs budget and rolling forecast
- Building Alteryx ETL pipelines for data cleansing and multi-source consolidation, handling high data volumes across finance and operations
- Automating recurring reports and forecasting workflows (Power Query, Alteryx), reducing manual effort and improving accuracy
- Analysing complex datasets to identify trends, variations, and root causes; presenting actionable recommendations to senior stakeholders
- Designing Power BI dashboards and scorecards for KPI tracking and executive presentations

Finance Analyst at HSBC · Team Coordinator

Jul 2022 – Apr 2024

Alten Polska Sp. z o.o. · Cracow / Remote

- Managing financial data for ~40 IT projects worth \$15M: budgeting, forecasting, cost review, variance analysis
- Preparing ad hoc financial analyses and models: sales analytics, cost breakdowns, resource allocation
- Designing automated BI reports (Power BI, SQL, Power Query, Cognos) for cross-regional stakeholders
- Maintaining cashflow and rolling forecast files; flagging deviations from budget to senior leadership
- Training teams on analytical tools (Power BI, Power Query, Excel) and standardising reporting processes

Smartsheet Developer · Global Reporting

Jun 2021 – Jun 2022

Zimmer Biomet Polska · Global Business Support · Warsaw

- Building metrics dashboards for Global Transition Process across 14 departments: milestone tracking, stakeholder updates
- Working with ERP and reporting systems to consolidate data from multiple sources into standardised reports
- Developing Continuous Improvement tracking application (PowerApps) to support operational excellence

BI Developer & Project Manager

Sep 2018 – May 2021

ISS Facility Services · Project Management · Warsaw

- Building Power BI dashboards for business performance tracking: sales metrics, cost reviews, operational KPIs
- Analysing invoice flow and cost data for a banking sector client: identifying trends, flagging deviations, implementing improvements
- Budgeting, forecasting, and non-financial analysis for regional operations
- Automating reporting with Power Automate and SharePoint, improving data accuracy and delivery cycle time

Jeronimo Martins (Lisbon) · Robert BOSCH (Warsaw)

- International experience across Portugal & Poland: sales analytics, logistics KPI reporting, stakeholder coordination in matrix structures
