Gusciora.Ada@gmail.com | +48 728 884 506 | linkedin.com/in/adriana-gu | Remote (EU-based)

BI Consultant with 8+ years of experience designing and delivering data-driven solutions in financial services. Deep expertise in Power BI (data modelling, DAX, interactive reports) and SQL (complex queries, optimisation, multi-source integration). Proven track record of building ETL pipelines (Alteryx, Power Query) and translating business requirements into scalable BI solutions. Experienced in managing the full project lifecycle - from stakeholder analysis through implementation to training and adoption. Strong communicator who bridges the gap between technical and business teams.
