

Adriana Gusciora

Data Analyst (Alteryx / SQL / Power BI)

Gusciora.Ada@gmail.com | +48 728 884 506 | linkedin.com/in/adriana-gu | Remote

Data Analyst with 8+ years of experience delivering high-quality reporting and insights across manufacturing, financial services, and global enterprises. Hands-on expertise in Alteryx ETL workflows, advanced SQL, and Power BI dashboarding for regional performance reporting and management decision-making. Proven ability to translate stakeholder requirements into clean data solutions, validate sources, identify anomalies, and train end users in self-service reporting. Strong data judgement built through Lean Six Sigma certification and reporting roles in regulated, multi-site environments (medical devices, banking, automotive, FMCG).

WORK EXPERIENCE

Senior Finance Analyst / Data Analyst

Oct 2024 - present

Trustwave Sp. z o.o. · Performance Management · Warsaw / Remote

- Build and maintain Alteryx ETL workflows: multi-source consolidation, data cleansing, blending, parsing replacing manual reporting processes
- Design Power BI dashboards for regional performance reporting (EMEA): variance analysis, forecast tracking, KPI monitoring for Financial Directors and CFO
- Apply strong data judgement: select appropriate sources, validate outputs, identify anomalies, reconcile cross-system inconsistencies
- Develop SQL queries to investigate data quality issues and feed Alteryx workflows: joins, subqueries, performance optimisation
- Translate stakeholder reporting requirements into actionable data solutions: tell the story behind the numbers for senior decision-makers
- Train end users on report adoption and self-service usage; document data sources and transformations

Finance Analyst / BI Developer at HSBC

Jul 2022 - Apr 2024

Alten Polska Sp. z o.o. · Cracow / Remote

- Built Power BI dashboards and DAX measures connecting multiple sources (Clarity, GPDM, Cognos) using Power Query and SQL for global banking operations
- Coached and mentored team of 5 analysts on data quality, validation, and reporting standards
- Delivered training workshops on Power BI, Power Query, and Excel: enabling self-service across functions
- Automated multi-source data consolidation workflows: replacing manual Excel processes with reusable transformations

Smartsheet Developer & Reporting Lead

Jun 2021 - Jun 2022

Zimmer Biomet Polska · Medical Devices Manufacturing · Warsaw / Remote

- Built reporting for Global Transition Process across 14 departments at Zimmer Biomet (medical devices manufacturing)
- Trained end users and developers on reporting tools, championing best practice and self-service adoption
- Built Continuous Improvement tracking application using PowerApps integrated with reporting workflows

BI Developer & Analyst

Sep 2018 - May 2021

ISS Facility Services · Project Management · Warsaw / Remote

- Designed Power BI dashboards translating multi-site operational data (facility services, contact centre, client account performance) into executive-ready insights
- Built end-to-end automated reporting solutions using Power BI, SharePoint, and Power Automate
- Led data-driven invoice flow analysis for global banking client: identified anomalies, designed and implemented improvements
- Managed cross-functional teams (4-15 people), conducted internal audits to verify data quality
- Led Novatorium innovation project: process improvements using Power Platform suite

Junior Project Manager · Management Trainee

Feb 2016 - Aug 2018

Jeronimo Martins (FMCG, Lisbon & Warsaw) · Robert BOSCH (Automotive Manufacturing, Warsaw)

- International project experience in manufacturing and FMCG: Logistics, Store Excellence, Employer Branding
- Cross-functional stakeholder coordination across multi-site operations

KEY SKILLS

Alteryx & ETL (Strong): Alteryx Designer (workflows, data cleansing, blending, parsing) · Power Query (M Language) · Multi-source integration · Data validation & reconciliation · Automation of manual processes

SQL & Scripting: Advanced SQL (queries, joins, subqueries, performance) · Data extraction & transformation · Anomaly identification · Source-to-report root cause analysis

Power BI & Data Visualisation: Power BI Desktop & Service · DAX measures & semantic models · Star schema modelling · Storytelling for management · Dashboard design & navigation

Reporting & End-User Enablement: Regional & operational performance reporting · Train-the-trainer & workshop delivery · Self-service BI adoption · Stakeholder requirements gathering · Documentation

Manufacturing & Operational Context: Multi-site operations (BOSCH automotive, Zimmer Biomet medical devices) · Process improvement (Lean Six Sigma) · Internal audit · Excel advanced (Power Pivot, Power Query)

Tools & Methodology: SharePoint · PowerApps · Power Automate · Cognos · Smartsheet · PRINCE2 Foundation · Agile/Scrum

EDUCATION

2020-2021 **Postgraduate: Quality Manager** - SGH Warsaw School of Economics · *Lean Management, Six Sigma, Kaizen*

2012-2017 **Master's in Clinical Psychology** - University of Social Sciences and Humanities (SWPS)

2012-2016 **Engineering: Management & Production Engineering** - Warsaw University of Technology

2009-2010 **Rotary Youth Exchange: Brazil** - ANGLO High School, Penapolis

CERTIFICATIONS & TRAINING

SQL Advanced - LabMasters, 2025

Business Analytics in Power BI - LabMasters, 2022

SQL Basics & Intermediate, 2023

Six Sigma Quality Management - SGH, 2020

PRINCE2 Foundation - AXELOS, 2020

User Experience I & II - USWPS, 2017

Project Management - INCODO, 2016
