

Adriana Guściora

Data Analytics & Technical Support Specialist

Gusciora.Ada@gmail.com | linkedin.com/in/adriana-gu | Remote

Data analytics professional with 8+ years of experience in dashboarding, reporting, process optimization, and knowledge management. Proven track record of building Power BI dashboards for executive stakeholders, setting up monitoring systems for project performance, and streamlining workflows to reduce manual effort. Experienced in managing centralized documentation repositories (SharePoint, Confluence) and collaborating with cross-functional teams of project managers and consultants. Combining strong analytical skills with project management expertise (PRINCE2) and a passion for continuous improvement and data-driven decision-making.

WORK EXPERIENCE

Senior Finance Analyst

Oct 2024 – present

Trustwave Sp. z o.o. · Performance Management · Warsaw / Remote

- Developed and maintained Power BI dashboards to visualize key performance metrics, budget vs actuals, and variance analysis for Financial Directors and CFO
- Set up monitoring systems to track project financial performance across multiple data sources (Clarity, Cognos, internal databases)
- Automated reporting pipelines using Power Query and Alteryx - replacing manual consolidation with robust, multi-source data flows
- Designed standardized Excel reporting templates with Power Query transformations for automated data pulls and trend monitoring
- Drove process optimization: transitioned manual reporting to automated solutions, reducing cycle time and error rates

Finance Analyst at HSBC

Jul 2022 – Apr 2024

Alten Polska Sp. z o.o. · Cracow / Remote

- Collaborated with stakeholders to identify relevant KPIs and created insightful Power BI dashboards and Excel reports for budget tracking and resource allocation
- Monitored and analyzed project performance for ~40 IT projects (\$15M budget): identifying trends, anomalies, and improvement opportunities
- Coordinated a team of 5 financial controllers on deliverables, data quality, and reporting deadlines
- Automated data consolidation using Power Query with multiple data sources (Clarity, GPDM, Cognos)
- Facilitated training workshops on analytical tools and processes (Excel, Power Query, Power BI) for project managers and consultants
- Maintained documentation and reporting standards aligned with Central Finance Controlling

Smartsheet Developer

Jun 2021 – Jun 2022

Zimmer Biomet Polska · Global Business Support · Warsaw

- Led reporting and monitoring for Global Transition Process across 14 departments - scope/timeline planning, milestones tracking, stakeholder updates
- Maintained centralized knowledge repository: organized resources, curated content, and ensured easy access for global team members
- Organized and facilitated training workshops for global end users and developers on collaboration platforms
- Built a Continuous Improvement tracking application using PowerApps to standardize process change management

BI Developer & Project Manager

Sep 2018 – May 2021

ISS Facility Services · Project Management · Warsaw

- Delivered operational dashboards in Power BI and SharePoint for project progress tracking and resource utilization monitoring
- Analyzed existing workflows and implemented process enhancements using Power Automate, SharePoint, and Power BI – reducing manual effort
- Managed knowledge management initiatives: centralized documentation in SharePoint, maintained best practices repository
- Managed cross-functional teams (4-15 people) and participated in internal projects to deliver efficient ways of working
- Prepared executive-ready Board reports translating complex data into actionable insights

Junior Project Manager · Management Trainee

Feb 2016 – Aug 2018

Jeronimo Martins (Lisbon & Warsaw) · Robert BOSCH (Warsaw)

- International project experience (Portugal & Poland): Employer Branding, Store Excellence, Logistics
- Stakeholder coordination and workshop facilitation in matrix organizational setups
