

Adriana Gusciora

IT Finance Reporting & Analytics Project Manager

Gusciora.Ada@gmail.com | linkedin.com/in/adriana-gu | Remote

Finance & analytics professional with 8+ years of experience in IT finance reporting, budgeting, forecasting, and process automation. Proven track record of coordinating cross-functional teams, standardizing reporting templates, and delivering Power BI dashboards for C-level stakeholders. Combining financial expertise with advanced Excel/Power Query automation and project management skills (PRINCE2) to drive cost optimization and data-driven decision-making. Passionate about continuous improvement, streamlining processes, and expanding competencies through learning new tools and methodologies.

WORK EXPERIENCE

Senior Finance Analyst

Oct 2024 – present

Trustwave Sp. z o.o. · Performance Management · Warsaw / Remote

- Owned the IT finance reporting cycle: built and maintained financial dashboards in Power BI for Financial Directors and CFO, covering budget vs actuals, forecast, and variance analysis
- Automated financial reporting pipelines using Power Query and Alteryx - replaced manual consolidation with robust, multi-source data flows
- Designed and maintained standardized Excel reporting templates with Power Query transformations for automated data pulls
- Built and maintained ETL workflows in Alteryx for data cleansing, manipulation, and consolidated dataset creation
- Drove process improvements: transitioned manual reporting to automated solutions, reducing cycle time and error rates

Finance Analyst at HSBC

Jul 2022 – Apr 2024

Alten Polska Sp. z o.o. · Cracow / Remote

- Coordinated a team of 5 financial controllers on deliverables, data quality, and reporting deadlines
- Managed finance processes for ~40 IT projects (\$15M budget in 2023): budgeting, forecasting, and resource cost allocation
- Built Power BI dashboards and Excel reports for budget tracking, variance analysis, and trend monitoring
- Automated data consolidation using Power Query with multiple data sources (Clarity, GPDM, Cognos)
- Facilitated training workshops on financial processes and tools (Excel, Power Query, Power BI) for stakeholders
- Aligned reporting standards with Central Finance Controlling and improved ways of working across teams

Smartsheet Developer

Jun 2021 – Jun 2022

Zimmer Biomet Polska · Global Business Support · Warsaw

- Led reporting for Global Transition Process across 14 departments - scope/timeline planning, milestones tracking, stakeholder updates
- Organized and facilitated training workshops for global end users and Smartsheet developers
- Built a Continuous Improvement tracking application using PowerApps to standardize process change management

BI Developer & Project Manager

Sep 2018 – May 2021

ISS Facility Services · Project Management · Warsaw

- Managed cross-functional teams (4–15 people) and conducted internal audits across projects
- Delivered financial analysis (budgeting, forecasting) and operational dashboards using Power BI and SharePoint
- Automated processes end-to-end using Power Automate, SharePoint, and Power BI - reducing manual effort

- Prepared executive-ready Board reports with Power BI, translating complex data into actionable insights
- Led Novatorium innovation project: implemented process improvements using the Power Platform suite

Junior Project Manager · Management Trainee

Feb 2016 – Aug 2018

Jeronimo Martins (Lisbon & Warsaw) · Robert BOSCH (Warsaw)

- International project experience (Portugal & Poland): Employer Branding, Store Excellence, Logistics
- Stakeholder coordination and workshop facilitation in matrix organizational setups
