WORK EXPERIENCE

Senior Finance Analyst

OCT 2024 — PRESENT

Trustwave Sp. z o.o. — Delivery Coordination · Performance Mgmt · Warsaw / Remote

- Analyse IT financial processes and deliver dashboards: **high-level views for CFO & Financial Directors**, detailed cuts for department heads.
- Build **Power BI** dashboards and **Alteryx** ETL pipelines used in monthly financial reviews.
- Coordinate cross-functional collaboration between finance, IT and business stakeholders on standardised reporting templates.

IMPACT · Re-engineered FP&A and Performance Management end-to-end: diagnosed monthly-reporting bottlenecks, designed and implemented improvements, produced before/after documentation and trained the team across the full toolset (Excel, Power Query, Alteryx, SQL, Power BI).

Project Finance Analyst

JUL 2022 — APR 2024

Alten Polska Sp. z o.o. — HSBC engagement · Cracow / Remote

- Coordinated a team of **5 analysts**; owned people-cost allocation across **~40 IT projects, \$15M annual budget** — headcount planning, resource forecasting, spend monitoring, variance analysis.
- Operated in Agile / Scrum with global teams: sprint planning, backlog grooming, daily stand-ups; ran day-to-day work in **Jira and Confluence** with full RAID logs.
- Built Power BI dashboards and Excel models for budget & forecast; aligned reporting standards with Central Finance Controlling and ran stakeholder training.

IMPACT · Audited each analyst's workflow, diagnosed inefficiencies, rolled out streamlined processes and produced new documentation; trained the team to operate the upgraded toolset (Excel, Power Query) confidently.

WORK EXPERIENCE continued

Smartsheet Developer JUN 2021 — JUN 2022

- Zimmer Biomet Polska — Project Coordinator · Global Business Support · Warsaw
- Led delivery of the **Global Transition Process** across **14 departments**: scope, timeline, milestones and stakeholder progress reporting.
 - Organised and facilitated training workshops for global end-users and Smartsheet developers.
 - Built a **Continuous Improvement** tracker in PowerApps to capture new solutions and process improvements.

IMPACT · Designed and rolled out a new generation of dashboards reporting Global Transition migration progress for 14 departments, owned change communication around each release and trained both maintainers and end-users.

BI Developer & Project Manager SEP 2018 — MAY 2021

- ISS Facility Services — Project Management · Warsaw
- Managed cross-functional delivery teams of **4-15** people with full **P&L responsibility** for an assigned customer account: revenue tracking, cost control, margin optimisation.
 - End-to-end project execution: scope, timeline, budget, financial forecasting, monthly settlements and invoice reconciliation.
 - Conducted internal audits and risk reviews; delivered executive Board reports in Power BI translating data into business recommendations.

IMPACT · Led the project to streamline invoice flow for a global banking client: designed, implemented and documented the new process, then trained internal team and client stakeholders for adoption (Power Automate, SharePoint, Excel). In parallel led the **Novatorium** initiative, an internal workflow for capturing new ideas across customer accounts (Power Automate, PowerApps, Power BI, SharePoint).

Junior Project Manager FEB 2016 — AUG 2018

- Jeronimo Martins (Lisbon & Warsaw) · Robert Bosch (Warsaw) — Management Trainee
- International project experience across **Portugal & Poland**: Employer Branding, Store Excellence, Logistics.
