

Adriana Gusciora

Senior Costing Analyst

Gusciora.Ada@gmail.com | linkedin.com/in/adriana-gu | Warsaw

Finance professional with 8+ years of experience in financial analysis, cost allocation, budgeting, forecasting, and process automation across international organizations. Proven ability to coordinate with multiple finance partners, deliver standardized reporting, and drive continuous improvement using Lean and Six Sigma methodologies. Strong analytical skills combined with advanced Excel, Power Query, and Power BI expertise to handle large datasets efficiently and support data-driven decision-making. Passionate about streamlining processes, expanding competencies, and learning new tools and methodologies.

WORK EXPERIENCE

Senior Finance Analyst

Oct 2024 - present

Trustwave Sp. z o.o. - Performance Management - Warsaw / Remote

- Owned the finance reporting cycle: built and maintained dashboards in Power BI covering budget vs actuals, forecast, cost variance analysis, and spending trends for Financial Directors and CFO
- Automated financial data consolidation using Power Query and Alteryx - replaced manual cost roll-ups with robust, multi-source data flows across reporting cycles
- Designed and maintained standardized Excel reporting templates with Power Query transformations for automated cost data pulls and element-level tracking
- Built and maintained ETL workflows in Alteryx for data cleansing, cost data manipulation, and consolidated dataset creation
- Drove process improvements: transitioned manual reporting to automated solutions, reducing cycle time and error rates

Finance Analyst at HSBC

Jul 2022 - Apr 2024

Alten Polska Sp. z o.o. - Cracow / Remote

- Coordinated a team of 5 financial controllers on deliverables, data quality, and reporting deadlines across multiple business units
- Managed finance processes for ~40 projects (\$15M budget in 2023): budgeting, forecasting, cost allocation, and variance analysis
- Built Power BI dashboards and Excel reports for budget tracking, cost element analysis, and trend monitoring
- Automated data consolidation using Power Query with multiple data sources (Clarity, GPDM, Cognos) - handling large datasets under strict deadlines
- Facilitated training workshops on financial processes and tools (Excel, Power Query, Power BI) for cross-regional stakeholders
- Aligned reporting standards with Central Finance Controlling and improved ways of working across global teams

Smartsheet Developer

Jun 2021 - Jun 2022

Zimmer Biomet Polska - Global Business Support - Warsaw

- Led reporting and tracking for Global Transition Process across 14 departments in a global manufacturing organization - scope/timeline planning, milestones tracking, stakeholder updates
- Organized and facilitated training workshops for global end users and developers
- Built a Continuous Improvement tracking application using PowerApps to standardize process change management

BI Developer & Project Manager

Sep 2018 - May 2021

ISS Facility Services - Project Management - Warsaw

- Managed cross-functional teams (4-15 people) and conducted internal audits across projects

- Delivered financial analysis (budgeting, forecasting, cost tracking) and operational dashboards using Power BI and SharePoint
- Automated processes end-to-end using Power Automate, SharePoint, and Power BI - reducing manual effort in reporting cycles
- Prepared executive-ready Board reports with Power BI, translating complex cost and operational data into actionable insights
- Led Novatorium innovation project: implemented process improvements using Lean methodology and Power Platform

Junior Project Manager - Management Trainee

Feb 2016 - Aug 2018

Jeronimo Martins (Lisbon & Warsaw) - Robert BOSCH (Warsaw)

- International experience in supply chain and logistics operations (Portugal & Poland)
- Stakeholder coordination and process improvement initiatives in matrix organizational setups
