

Adriana Gusciora

Senior Power BI Developer

Gusciora.Ada@gmail.com | +48 728 884 506 | linkedin.com/in/adriana-gu | Remote

Senior BI professional with 8+ years of experience designing, developing, and deploying Power BI dashboards and reports for C-level stakeholders in financial services and global corporations. Deep expertise in DAX, Power Query (M), data modeling, and SQL. Proven ability to connect diverse data sources, build efficient ETL pipelines (Alteryx, Power Query), and translate complex business requirements into clean, executive-ready visualizations. Strong communicator experienced in presenting insights to non-technical audiences and training teams on BI tools.

WORK EXPERIENCE

Senior Finance Analyst / Power BI Developer

Oct 2024 – present

Trustwave Sp. z o.o. · Performance Management · Warsaw / Remote

- Design and deploy financial dashboards in Power BI for Financial Directors and CFO: budget vs actuals, variance analysis, forecast tracking with at-a-glance insights
- Build and maintain DAX measures and data models optimized for performance and scalability across multiple financial datasets
- Automate data pipelines using Power Query and Alteryx: multi-source ETL replacing manual consolidation
- Translate complex financial data into actionable business recommendations for senior stakeholders
- Maintain data integrity across reporting models: validation checks, source reconciliation, standardized definitions

Finance Analyst / BI Developer at HSBC

Jul 2022 – Apr 2024

Alten Polska Sp. z o.o. · Cracow / Remote

- Developed and maintained Power BI dashboards and reports for budget tracking, variance analysis, and trend monitoring across ~40 projects (\$15M portfolio)
- Connected and transformed data from multiple sources (Clarity, GPDM, Cognos) using Power Query and SQL
- Coordinated team of 5 analysts on data quality, reporting standards, and delivery timelines
- Automated data consolidation workflows: Power Query transformations replacing manual Excel processes
- Delivered training workshops on Power BI, Power Query, and Excel to stakeholders across functions
- Collaborated with Central Finance Controlling to standardize reporting templates and data definitions

Smartsheet Developer & Reporting Lead

Jun 2021 – Jun 2022

Zimmer Biomet Polska · Global Business Support · Warsaw / Remote

- Led reporting for Global Transition Process across 14 departments: scope/timeline tracking, milestone dashboards, stakeholder updates
- Facilitated training workshops for global end users and developers on reporting tools
- Built Continuous Improvement tracking application using PowerApps

BI Developer & Analyst

Sep 2018 – May 2021

ISS Facility Services · Project Management · Warsaw / Remote

- Designed and delivered Power BI dashboards and reports for the Board: translating complex operational data into executive-ready visualizations
- Built automated reporting solutions using Power BI, SharePoint, and Power Automate end-to-end
- Managed cross-functional teams (4-15 people) and conducted internal audits
- Led global collaboration with banking client: analyzed invoice flow process, designed and implemented data-driven improvements
- Led Novatorium innovation project: process improvements using Power Platform suite

Jeronimo Martins (Lisbon & Warsaw) · Robert BOSCH (Warsaw)

- International project experience (Portugal & Poland): Employer Branding, Store Excellence, Logistics
- Cross-functional stakeholder coordination in matrix organizations

KEY SKILLS

Power BI: Dashboard design & deployment · DAX measures & calculated columns · Data modeling (star schema, relationships) · Power Query (M) transformations · Report optimization & performance tuning · Publishing & workspace management

Data & SQL: SQL (advanced queries, joins, CTEs, aggregations) · Alteryx (ETL workflows, data cleansing, blending) · Power Query (multi-source consolidation) · Cognos · Data validation & reconciliation

Visualization & Communication: Visual storytelling for C-level audiences · Executive-ready reports & presentations · Training & knowledge transfer · Stakeholder management across seniority levels

Tools & Methodology: SharePoint · PowerApps · Power Automate · Smartsheet · PRINCE2 Foundation · Agile/Scrum familiarity · Six Sigma (SGH)
